Hardy and Springer will be working the event. The bulb in our projector is out – it hasn't worked for a few months - Springer has been letting us use her projector. Hardy has emailed Chief Barger to let him know of the upcoming event – Chief Barger will add the Rec Run to the Safety Committee Agenda for March.

Summer Youth recreation will be held June 29th – August 6th, 2015. Springer has updated the registration form it still needs a few changes – but, they will be done soon. Springer has contacted previous instructors and they will let her know if they are returning (we will know by the end of March). We would like to have a field trip form ready by the start of the program – this form would list all field trips.

4th of July event is approaching – we will be forming a sub-committee. Springer made a sponsor form with sponsor levels – may need some changes – the committee will review it and bring suggestions to the next meeting. Committee will also review the sponsor letter and bring suggestion to the next meeting.

Health Fair/Wellness Expo will be held on September 19th from 9am-3pm at the Brooklyn Community Building. We are looking for doctors, massage therapist, dentist, aroma therapist, nutritionist, etc. We have a massage therapist (who would be willing to do chair massages) interested in the event. Springer has been in contact with the EMS – they could possibly do blood pressure checks.
